Introducing the Verity Systems **SYNERGY CD/DVD Publisher**. This all-in-one disc publishing system allows users to copy and print up to 100 professional looking discs in one session with easy hands free, unattended operation.

The **SYNERGY CD/DVD Publisher** features a high-speed DVD/CD burner, which in standardized testing burns up to 50 discs per hour making it faster than most other models. With its feature rich software you can easily setup multiple burn jobs or rip music CDs with your favorite MP3 software such as iTunes or Windows Media Player all in a compact, attractive desktop unit. A 4-color, 4800 photo-quality inkjet printer is also included allowing users to print professional, photo-quality graphics direct-to-disc for a truly professional finish.

Easy, Low Cost Printing

The **SYNERGY CD/DVD Publisher** makes printing discs easy. With the Disc Studio™ Labeling software included, you simply send a print job and the **SYNERGY CD/DVD Publisher** will automatically insert a CD/DVD for printing. No additional software is required and you can also use your favorite labeling program if you prefer.

Another outstanding feature of the **SYNERGY CD/DVD Publisher** is that it uses non-proprietary inkjet cartridges available at virtually any office products store. This means that users are not tied into buying expensive coded cartridges and the cost per print is a fraction of what other disc printers on the market cost. This provides the user with the most cost effective solution.

100 Disc Capacity

The **SYNERGY** comes as standard with a 50 disc hopper, however you can easily double your per session disc capacity with the optional 100 disc capacity adapter.

Media Options

The **SYNERGY** not only prints on standard 120mm disc but can also print on a wide variety of disc media such as business card discs and 80mm discs with the optional adapter kit.

The **SYNERGY** featuring Natural Pick technology, and guarantees no mis picks or double picks, assuring the user of 100 % duty cycle.

The **SYNERGY** is your best choice for a wide variety of applications including Houses of Worship, Corporate – Fortune 5000 and many others. Setting new standards of performance and reliability.

Warranty

12 months back to base, all parts and labor included.
